

SANTHIYA R.

VIDEO EDITOR | AI VIDEO CREATOR | CREATIVE CONTENT SPECIALIST

Tamil Nadu, India | santhiyaravichandran6@gmail.com | 8508537788 | LinkedIn: linkedin.com/in/santhiyaravichandran123

PROFESSIONAL SUMMARY

Creative Video Editor and AI Video Creator with hands-on experience delivering 3 client video projects across jewellery advertising, fashion advertising, and animated storytelling. Skilled in combining AI-generated visuals with video editing, cinematic storytelling, transitions, sound effects, music, voice-over, and brand elements. Experienced in taking projects from concept and shot planning through AI generation, editing, and final delivery. Additional background in Data Analytics with working knowledge of Power BI, SQL, Excel, and Python.

PROFESSIONAL EXPERIENCE

Freelance Video Editor & AI Content Creator | 2026 – Present

- Created and delivered 3 client video projects spanning jewellery advertising, fashion advertising, and animated storytelling.
- Produced AI-assisted commercial content by combining AI-generated images/video, editing, sound design, transitions, music, voice-over, and branded visuals.
- Planned shot-by-shot sequences covering camera movement, composition, lighting, character consistency, wardrobe, environments, and storytelling.
- Edited short-form and advertisement-style content for brand promotion and digital/social-media use.
- Integrated logos, product visuals, music, sound effects, voice-over, and final brand reveals into polished videos.
- Managed projects from creative concept and AI prompting through editing and final video delivery.

SELECTED VIDEO PORTFOLIO

Sri Kandas Jewellery – Luxury Jewellery Advertisement

- Created a cinematic luxury jewellery advertisement using AI-generated visuals, product presentation, models, premium environments, and branded scenes.

THIRAA – Fashion Brand Advertisement

- Created a stylized fashion advertisement using AI-generated characters, environments, wardrobe concepts, and cinematic storytelling.

Monkey, Elephant & Tortoise – Animated Storytelling Video

- Created an AI-assisted animated story featuring animal characters and a forest environment with attention to character movement, expressions, continuity, pacing, and storytelling.

Portfolio: LinkedIn profile above; full video samples can be shared with clients/recruiters on request.
